## Why We're Smart

Mercury Payment Systems is smart about payment processing. We stay on the leading edge of payment processing by continually offering new services, like our free gift card processing. We've forged strong partnerships with hundreds of POS developers and dealers to make Mercury's payment processing easy to turn on and simple to use. We will work with you, or your dealer, to completely support your business's everyday transactions.

## What We Offer You

**Integrated Payment Processing with FREE MercuryGift™ transactions:** Our gift card application is built right in, so starting up is fast and easy, and all MercuryGift transactions are FREE.

**Always-On Payment Processing:** Our unique back-up solutions keep your payments processing—even when your internet or authorization network connection goes down.

**24/7 Professional Reliable Support:** When you contact customer support—whether you're online or on the phone—you'll get a live person to solve your problem.

**Mercury Reports:** Get immediate online access to transactions and check deposits as they're recorded.

**Card and Check Processing:** Process credit, debit, PIN debit, gift card, EBT and check payments.

**Security Expertise:** We are experts on payment processing security. Our solutions comply with all security standards.

Connecting to Mercury Payment Systems is fast and easy.

## Getting Started

1. Tell your dealer that you are ready for payment processing and your dealer will refer you to a Mercury sales executive.
2. We will immediately contact you to complete your application with your business and financial details.
3. Within 24 to 48 hours (in most cases), you can start processing payments.
4. Once payment processing has been turned on, we will contact you for a quick tutorial on how to access MercuryView online reporting tools to review transactions and deposit records.
5. If anything unusual happens on your account—such as a missed batch or suspicious transactions—our MercuryAlerts™ system notifies your dealer right away.

## Why Partner With Us

We are the original innovators in integrated payment processing and we continue to lead the market with progressive product and service offerings for our merchant customers. Our company is powered by strong partnerships with our merchant customers, as well as dealers and developers. Thousands of restaurants and retailers throughout the United States and Canada rely on our smart payment processing for their everyday transactions.

## MERCHANTS

We work with our POS reseller partners to deliver the best technology and personalized services to our mutual merchant clients. Through this partnership, our merchants receive expert, POS-wise technical support to keep their businesses running smoothly.
